PRESSURE WASHERS / SINCE 1970

# 797SS

**BLACK LABEL**  
EDITION

With the new **797SS** – our first Black Label Edition machine – a whole new generation of tough, no-nonsense cleaning tech hits the farms, facilities, streets, work sites...wherever clean is a challenge. It is a perfect combination of power and maneuverability, making it the ideal cleaning machine. And with its new upgraded graphics, it looks distinctly classy. The **797SS** comes with lots of great features, including:

- BL WEG 1725 RPM Motor** – slow speed motors lasts longer and come with a no-questions-asked warranty
- BL Robust HM Series Hotsy Pump** with a non-prorated 7-year warranty
- BL Front Bumper** for fuel tank protection
- BL Auto Start/Stop** is standard and extends machine life
- BL Beckett Burner** – industry preferred, with a long, reliable history
- BL Axle location** along with ergonomic handle provide exceptional maneuverability
- BL Easy-to-use, water-tight control panel** includes individual pump/burner rocker switches, hour meter and thermostat controls
- BL Heater Coil** with Schedule 80 steel pipe comes with a non-prorated 5-year warranty

# ***HOTSY BLACK LABEL BRINGS GREAT FEATURES TO NORTH AMERICA'S MOST DEPENDABLE PRESSURE WASHERS***

## **WHAT IS BLACK LABEL?**

At Hotsy perfection isn't an end-point, it is something we strive for daily. We are always thinking of ways to improve our pressure washers. The Black Label edition 797SS is a prime example. We loaded it with features to move it to the top of the line. It boasts Auto Start/Stop, a robust HM Series pump, Beckett Burner, WEG slow speed motor and an hour meter. On top of that we've given the machine a distinctly classy look with black logos, essentially **we're giving you bad ass fully loaded!**

**BLACK LABEL**  
EDITION

**The 797SS gives you power and maneuverability for hot water pressure washing – on the farm, in processing facilities, and across municipalities.**

***And it looks great doing it!***

**BLACK LABEL**  
EDITION

# 797SS & 797SS-208

**FEATURES**  
3.5 GPM @ 2000 PSI  
Oil-Fired
